

Young Enterprise Tenner Challenge Masterclass (3 Hours)

Age range: Open to KS3, KS4, KS5

Delivery Time: £300 for a typical class size for 3 hours

Young Enterprise can help kick start your Tenner Challenge by running a half day masterclass. This is a practical session introducing the Challenge and helps students generate business ideas through a series of fast-paced, exciting activities. The masterclass will be delivered by a young Enterprise member of staff and will discuss the following topics:

Business Challenge Game

How much money can you make?

Exploring team work, recognising personal skills and identifying employability skills

Would you like to be an Entrepreneur?

What makes a business succeed?

Sharing of initial thoughts and ideas

Introducing the Tenner Challenge for 2018

How it works and the competitions
